

Invitation To Tender

Safety Apparatus And Supplies

Please
conserve
water and
co-operate
with us during
this drought
period

Practice the 4R's of conservation

- **R**educe the use of water as much as possible;
- **R**epair all leaks;
- **R**e-use water whenever possible;
- **R**e-place water wasting devices with water-saving devices.

These conservation measures will not only ensure that customers have some of the precious commodity in reserve, but will definitely result in considerable monetary saving.

The National Water Commission invites tenders from suitably qualified entities to provide Safety Apparatus & Supplies. Selection procedures will be restricted to companies who are currently registered with the National Contracts Commission (NCC) as suppliers of goods and services to the Government of Jamaica, in the category of Safety Products, and have a valid Tax Compliance Certificate.
