KMA Water Supply Project

Pipeline Improvement Work

Green Acres to Johnson Pen,
St Catherine

In continuation of the Kingston Metropolitan Area (KMA) Water Supply Project, contractors engaged by the NWC will be carrying out pipelaying works along St. John's road, from Green Acres to Johnson Pen/Fraser's Content.

This work may result in traffic disruptions and delays along this route as well as some noise and dust nuisance, and intermittent disruptions in water supply. Timely notice will be issued to advise the public of the times and extent of planned disruptions of water supply and any traffic diversions that may become necessary. Access may be reduced to single lane traffic in the work areas. Motorists are urged to obey the flagmen and signage which will be in place.

The NWC regrets any inconvenience that may be experienced by the public while these necessary improvement works are being carried out.
