**KEYSTONE BOOSTER SCHEDULED SHUTDOWN  
.....PLEASE STORE WATER**

The National Water Commission, under the second phase of the Kingston Metropolitan Area (KMA) Project is currently conducting works on the Sligoville Road Pipeline in St. Catherine which will require the shutting down of the Keystone Booster on Friday, November 6, 2009 between the hours of 8:00am and 5:00pm.

During these hours customer will experience no water conditions and are therefore being urged to store water until the facility is brought back into operation.

Areas that will be affected include,

**Keystone**

**Mount View**

**Tryall Heights**

**St Jago Heights**

**Tryall Estate**

The National Water Commission apologizes for this necessary disruption as it strives to improve its quality of service to its valued customers.
