### **LOW WATER PRESSURE TO AFFECT ST. CATHERINE**

The National Water Commission wishes to advise customers served by the Dinthill Well in St. Catherine that they may experience low pressure in their water supply starting today, Monday, November 16 until Thursday, November 19, as the pump is being taken out of service for maintenance repairs.

Communities that may be affected include, **Dinthill, Linstead, Bog Walk, sections of Knollis, Deeside, Mickleton, Wakesfield, Jew Pen, sections of Linstead, Grove Road, Rosemount, sections of Church Road, Mickleton Meadows, Commodore and Buena Vista.**

In the meantime, provisions have been made to supplement water supply to these areas from the Wakefield Well.

The National Water Commission apologizes for any inconvenience caused and is making every effort to restore operations at the earliest possible time.
