Water Supply Disruption Scheduled for sections of Kingston

The National Water Commission wishes to advise all customers along **Spanish Town Road and all roads leading off, as well as sections of Washington Boulevard and Down Town Kingston** that they will experience a disruption in their water supply, on Wednesday, January 20, between the hours of 8:00am and 5:00pm.

This disruption is as a result of major repairs that will be carried out on a 21" distribution main along Spanish Town Road.

The National Water Commission apologizes for any inconvenience caused by the necessary work and urges customers to store water for use until the restoration of regular service.
