**ELECTRICAL PROBLEMS  
DISRUPT ST. ANDREW AND ST. CATHERINE WATER SUPPLY**

NWC customers in some sections of **St. Andrew and St. Catherine** are presently experiencing disruptions in their regular water supply.

This is due to electrical problems at the **Cookhamdene and Ewarton** pumping stations.

Areas affected include:

**Jacks Hill, Barbican, Billy Dun, Tavistock, Millsborough.  
Ewarton, Mt. Rosser, Waterloo, Bennett Shop, Leslie Road, Cassava Pond, Lluidas  
Vale  
Main Road, Charlton.**

Corrective measures are currently being carried out.  
Normalcy is expected to return as soon as these measures are completed.

The NWC regrets any inconvenience caused.
