BROKEN MAIN CAUSES WATER SUPPLY DISRUPTION

SECTIONS OF ST. MARY AFFECTED

The National Water Commission is advising customers in sections of St. Mary that the disruption they are currently experiencing in their service is due to a broken transmission main on the Iteboreale Water Supply System. This has resulted in the temporary closure of the Agualta Vale Relift Stations in Nutsfield and Highgate respectively.

Every attempt is being made to complete the necessary repairs, however customers will continue to experience no water conditions or low water pressure for the next 24 hours.

Areas affected include;

Highgate
