**EMERGENCY REPAIRS DISRUPT WATER SUPPLY TO SECTIONS OF
CORPORATE AREA**

The National Water Commission wishes to advise that the **Ferry Water Supply System** located in **St. Andrew** has been shut down to facilitate urgent mechanical repairs. This has resulted in low water pressure and no water conditions for some sections of the Corporate Area.

Areas that are affected include;

Down Town – Kingston

Spanish Town Road

Duhaney Park

Washington Gardens and Washington Boulevard

The National Water Commission apologizes for any inconvenience caused and is making every effort to restore normal service at the soonest possible time.
