Changes in Corporate Area Water Supply Schedule for the Weekend of May 15-16, 2010

The National Water Commission wishes to advise customers in sections of the corporate area that there will be changes in their scheduled water supply for this weekend.

Accordingly, the **Hope Pastures area will receive water on Saturday, May 15, 2010** instead of Sunday, while **Hope Road, Mona Heights, August Town and Kings House areas will be supplied on Sunday, May 16** instead of Saturday.

These changes in service days are to facilitate works that will be carried out on the water supply systems over the weekend, therefore the regular schedule will resume next week. The National Water Commission apologizes for any inconvenience that may be caused and urges customers to bear these changes in mind.
