**EXTENSIVE MECHANICAL & MAINTENANCE REPAIRS TO AFFECT
WATER SUPPLY TO SECTIONS OF CLARENDON**

The National Water Commission wishes to advise customers in Clarendon who are served by the Goshen Well in the parish that they will be without their usual water supply, as the facility will be taken out of operation for extensive mechanical and maintenance repairs.

Works will begin tomorrow, June 8 and is expected to last until June 18, 2010. In the interim, trucked water will be supplied to the affected communities. These include:
Goshen, Brixton Hill, White Chapel, Mt. Valley, Mocho Road, Eden, and Ashley.

The National Water Commission apologizes for any inconvenience that may be caused and craves the understanding and cooperation of its valued customers.
