SERVICE DISRUPTION AFFECTS SECTIONS OF CORPORATE AREA

The National Water Commission is advising that due to a leak on the **Ferry Water Supply System** located along the Mandela Highway, some sections of the corporate area are currently experiencing no water conditions or low water pressure.

Affected areas include;

sections of Down Town Kingston

sections of Spanish Town Road

Duhaney Park

Washington Gardens

Washington Boulevard and all roads leading off

Molynes Road and all roads leading off

The National Water Commission apologizes for any inconvenience caused to its valued customers and is reporting that repairs are being carried out so normal service can be restored by later this afternoon.
