Electrical & Mechanical Problems Affect St. Mary Systems

The National Water Commission wishes to advise customers in sections of **St. Mary** who are served by the **King Spring** and the **Canoe Pond Relift Stations** that the disruption they are currently experiencing in their water supply is due to electrical and mechanical problems affecting the facilities respectively.

Areas affected by these downtimes include;

Days Mountain

Airy Hill

Canoe Pond

Coloraine Housing Scheme

Barriffe Hall

Sections of Derry

Wood Park

The National Water Commission sincerely regrets any inconvenience caused and is working to resolve these problems in the soonest possible time.
