**LEAK REPAIR TO CAUSE SERVICE DISRUPTION IN SECTIONS OF ST. ANDREW**

The National Water Commission wishes to advise its valued customers in **Mona Heights, Liguanea, Ravina, August Town, Old Hope Road and sections of Hope Pastures in St. Andrew** that they will experience a disruption in their water supply tomorrow **July 2, 2010** between the hours of **9:00am and 4:00pm**.

This disruption has been scheduled to facilitate repairs to a 16" transmission line on the Hope Water Supply System. Customers are therefore being urged to store water for use during the period of disruption.

The National Water Commission apologizes for any inconvenience caused by this necessary break in service and will ensure normal water supply is restored following the completion of works.
