BROKEN MAIN AFFECTS TULLOCH SPRING WATER SUPPLY SYSTEM

The National Water Commission wishes to advise customers in sections of St. Catherine that they will be without their regular water supply on Thursday, July 15, 2020 between 8:00 a.m. and 6:00 p.m. This disruption is to facilitate repairs to a broken 24-inch on the Tulloch Spring System.

Areas to be affected include:

Braeton, Phases 1 & 2
Bridgeport
Edgewater
Marine Park
West Park
Cedar Grove
Cedar Manor
Helshire and surrounding areas
Port Henderson Road

The National Water Commission apologises for any inconvenience that may be experienced and urged customers to store water for the stipulated period.
