JWSIP WORKS TO CAUSE FURTHER DISRUPTIONS IN STONY HILL AREAS

The National Water Commission is reporting that the Jamaica Water Supply Improvement Project works in Stony Hill, St. Andrew will continue in the coming week. The works will include excavations, pipeline repairs and valve replacement. Accordingly, customers and commuters in the area will experience disruptions in water supply as well as minor traffic delays due to lane/road restrictions or closures.

Areas that will be impacted include: **Gibson Road and Hermitage Road where excavation works will be carried out on Monday, February 21 until Wednesday, March 4, 2011. Valve replacement works will be done on Stony Hill Main Road and Mannings Hill Road on Tuesday, February 22, while pipeline works will be carried out on Wednesday and Thursday on Old Stony Hill and Gibson Road respectively.**

Water supply interruptions should be expected in these areas between the hours of 9:00am and 5:00pm while closures/restrictions will occur from 8:00am to 6:00pm daily for the stated period.

The National Water Commission sincerely regrets any inconvenience that may be caused by this necessary improvement works and urges customers to store water for the periods of service disruption. Commuters are also encouraged to observe the signage and instructions of flag personnel that will be in place.
