Project Works Continue to Affect Traffic & Water Supply in Stony Hill Areas

The National Water Commission wishes to advise that the **Jamaica Water Supply Improvement Project (JWSIP)** works will continue in the Stony Hill area of St. Andrew for the week March 14-18, 2011. Consequently, **customers and commuters in the area will experience both water supply interruptions as well as road closure/restrictions for the period. Areas that will be affected include:**

Montgomery & Hermitage Road – Monday, March 14, 2011.
Brooks Level Road & Golden Way – Tuesday, March 15, 2011.
Castle Drive – March 16, 2011
Orange View Drive – Thursday, March 17, 2011.
Airy Castle Drive – Friday, March 18, 2011.

Where lane restrictions/closures are necessary, these will occur from 8:00am to 6:00pm for the stated period. Water supply interruptions should be expected between the hours of 9:00am and 5:00pm daily, except for Orange View Drive where the disruption will last for two days from Thursday March 17 until Friday, March 18, 2011.

In addition, a leak detection exercise will be carried out on Stony Hill main road on Tuesday, March 15 which will require shutting down of the supply network at 5:00pm until 10:00pm.

The National Water Commission sincerely regrets any inconvenience that may be caused by this necessary improvement works and urges customers to store water for the periods of service disruption. Commuters are also encouraged to observe the signage and flagmen that will be in place.
