**CORPORATE AREA WATER SUPPLY DISRUPTION
...UPDATE ON BROKEN MAIN –MONA SYSTEM**

The National Water Commission is advising its customers in sections of the Corporate Areas who are served by the **Mona Treatment Plant**, that they will continue to experience low water pressure and no water conditions today as a result of some challenges being experienced with the repair of the broken main on Arthur Wint Drive.

Areas that are affected include:

Mona, Cross Roads, Mountain View, Old Hope Road, Devon Square, Waterloo Road, Cassia Park, Eastwood Park, Half-Way Tree Road, Upper Maxfield Avenue, New Kingston. Liguanea, Mona Road, Ravina, Hagley Park Road, Harbour View, Shooters Hill and Bull Bay.

The situation is currently being addressed and every effort is being made to complete the necessary repairs and restore normal water supply to the affected areas.

In the meantime, the company is also reporting that some customers served by the **Constant Spring Treatment Plant** will experience a disruption in their water supply on **Saturday, March 26, between the hours of 8:00pm and 4:00am**. This disruption is to facilitate repairs to a 16” main on the distribution network. Customers who are served by this system are therefore being urged to store water for the period of disruption.

Areas that will be affected include:

Constant Spring, Havendale, Half-Way-Tree, Manor Park, White Hall Gardens, Belgrade, Kingswood, Eastwood Park Gardens, Hughenden, Stillwell Road, Constant Spring Road & Gardens, Camperdown, Mannings Hill Road, Red Hills Road, Arlene Gardens, Roehampton, Smokey Vale, Chancery Hall, Trench Town, Calabar Mews, Zaidie Gardens and State Gardens

The National Water Commission sincerely regrets any inconvenience that may be caused to its valued customers in these regards.
