WATER DISRUPTION TO AFFECT MAY PEN

The National Water Commission wishes to advise that May Pen and surrounding areas in Clarendon will experience a disruption in their water supply this evening, at 6:00pm until tomorrow, Wednesday, March 30 at 6:00am.

This disruption is to facilitate remedial works that will be carried out on the May Pen Bridge by the National Works Agency.

The National Water Commission sincerely regrets any inconvenience that may be caused and will endeavour to restore water supply at the time specified.
