WATER SUPPLY DISRUPTION AFFECTING SECTIONS OF MANCHESTER

The National Water Commission (NWC) wishes to advise that due to problems along the distribution network, customers in Woodlawn and environs, located in Manchester are experiencing low water pressure and no water conditions.

Every effort is being made to restore water in the shortest possible time.

In the interim, water will be trucked to the affected communities.

The NWC apologizes for any inconvenience this disruption may cause.

Customers may call the NWC toll free at 1 888 CALL NWC (1- 888-225-5692) for further updates and assistance.
