**WATER SUPPLY DISRUPTIONS  
...St. Andrew and St. Thomas area affected**

The National Water Commission is advising customers in the **Stony Hill area in St. Andrew** that the disruption they are currently experiencing in their water supply is due to urgent works being carried out on a section of the **Seaview Filter Plant**. **This disruption will continue until 5:00pm today.**

In the meantime, the customers in **Bonnett Burn, Golden Valley, Llandwey, Ramble, Goatridge, Mount Sania, Smithfield, Soho, Middleton, Spring Garden, Top Hill and Nutts River in St. Thomas** are being advised that the disruption they have been having in their service is due to operational problems being experienced at the **Golden Valley, Nutts River, Llandwey and Soho** water supply systems. Every effort is being made to resolve these problems at the earliest possible time and trucked water will continue to be provided to the affected areas until normal water supply is restored.

The National Water Commission apologizes for any inconvenience caused in these regards.
