MECHANICAL WORKS TO DISRUPT WATER SUPPLY IN SECTIONS OF CLARENDON

The National Water Commission is advising its customers in **New Town Phase 1 & 2, Monymusk Housing Scheme and Raymonds in Clarendon** that they will experience a disruption in their water supply starting on **Monday, April 18, 2011 at 8:30am through to Thursday, April 21, 2011.**

This disruption in service is to facilitate mechanical works to be carried out on the New Town Well. Customers in the affected areas will experience low water pressure or no water conditions and are therefore encouraged to store water for use.

The National Water Commission regrets any inconvenience that may be caused by this interruption in service and will provide trucked water until the restoration of the system.
