WATER SUPPLY DISRUPTION FOR SOME ST. ANDREW RESIDENTS

The National Water Commission is advising its customers in sections of the corporate area who are served by the **Norbrook Storage Tank**, that the low water pressure or no water conditions they are currently experiencing is as a result of low storage conditions being experienced at the facility.

Areas affected by this disruption in service include: **Shortwood Road, Norbrook, Norbrook Heights, and Cherry Gardens.**

The NWC is currently working to have the problem resolved by, Thursday, May 5. Additional updates will be provided as the NWC progresses with this repair work.

The National Water Commission apologizes for any inconvenience caused to its valued customers.
