**WATER SUPPLY DISRUPTION AFFECTS SECTIONS OF
ST. ANDREW, KINGSTON AND ST. CATHERINE**

The National Water Commission (NWC) wishes to advise that a JPS problem is affecting operations at the Tulloch Springs and Eastern Headworks facilities.

Customers in sections of Portmore, sections of Kingston, sections of Spanish Town and sections of St. Andrew will therefore experience a disruption in their water supply.

At the same time, the NWC is advising that the Jericho # 2 system, which serves Charlemont, Ewarton and environs is out of operation due to emergency mechanical repairs.

The NWC apologizes for the inconvenience caused and assures customers that every effort will be made to restore water in the shortest possible time.

Further updates and assistance may be received by calling the NWC toll-free at 1 888 CALL NWC (1-888-225-5692).
