**Water Supply Disruption for Sections of CLARENDON
– PLEASE STORE WATER**

The National Water Commission (NWC) is advising customers served by the **Bushy Park Well** in Clarendon, that they will experience a disruption in their regular water supply *from Thursday, July 21 until Friday, July 29, 2011.*

The disruption is to facilitate urgent mechanical repairs at the facility. Customers are asked to store water for use during this disruption in service.

Communities that will be affected include:

Bucknor, Bailey's Avenue, Rectory Land, Rectory Road, Chapelton Road, Bushy Park Housing Scheme, Bucks Haven, Dr. Bell Drive, North St., Howard Avenue, West Park, Harris St., Manchester Avenue, Threadlight, Western Park, Evans Heights, Meadowlands and all roads leading off

The NWC apologizes for any inconvenience this disruption may cause, and assures customers that every effort will be made to restore service within the time specified.

-end-
