For Immediate Release

**ELECTRICAL PROBLEM CONTINUES TO AFFECT
WATER SUPPLY TO SECTIONS OF MANCHESTER**

The National Water Commission (NWC) wishes to apologize to customers who are served by the Baileston Booster Station, located in Manchester, for the water disruption they are experiencing, which is as a result of an electrical problem at the facility.

The NWC is making every effort to rectify the problem and restore water by Wednesday, August 10, 2011.

In the meantime, the NWC craves the continued patience of its valued customers in **Spauldings, Limit, George North, Percy Junior Hospital, Knox High School, Knox Community College, Sanguinetti, Glenco, Glenco Housing Scheme and Cobbla**, who are affected.

Further updates and assistance may be received by calling the NWC toll free at 1 888 CALL NWC (1- 888-225-5692).
