Mona Water Supply System now Back in Operation

The National Water Commission wishes to apologize for the delay in the restarting of the **Mona Treatment Plant, in St. Andrew, which was temporarily shut down** to facilitate urgent maintenance works last night.

The public is advised that the plant has now been restarted; therefore, customers served by this system would have already seen a return of their supply or will do so shortly .

Affected areas include:

Mona Heights, Cross Roads, Mountain View Road, Old Hope Road, Hope Road, Hope Flats, Papine, Gordon Town, Beverly Hills, Ravina, Mona Road, Devon Square, Waterloo Road, Cassia Park, New Kingston, Eastwood Park, Red Hills Road, sections of Grants Pen, Half way Tree Road and Upper Maxfield Avenue.

The NWC sincerely regrets any inconvenience that has been caused by these necessary works and thanks customers in all the affected areas for their patience and understanding during the period of disruption.
