**WATER SUPPLY DISRUPTIONS
- GORDON TOWN AND STONY HILL AREAS**

NWC customers in **Gordon Town and surrounding areas** will have their water supply disrupted **tomorrow, Wednesday, September 7, 2011 between 9:00 am and 5:00 pm.**

This is to facilitate maintenance work to be carried out at the **Hope High Level Plant.**

Areas to be affected include:

Gordon Town Square, Gordon Town Road and all roads leading off, Kintyre, Miracle Close, Mammee River and Hope Flats.

Customers are being urged to store water for the period of disruption.

Meanwhile, customers who are served by the **Seaview Filter Plant in St. Andrew,** are presently without their regular water supply as a result of emergency repair work being carried out at the facility.

NWC engineers are currently working to have regular water supply restored in the shortest possible time.

The NWC regrets any inconvenience caused.
