September 13.

**WATER SUPPLY DISRUPTIONS
ST. ANDREW AND ST. CATHERINE AREAS**

NWC customers served by the **Seaview Filter Plant in St. Andrew** are presently without their regular water supply. This is as a result of a break on the main transmission line.

Affected areas include: **Stony Hill, Golden Spring, Jack's Hill, Stillwell Road, Lawrence Tavern, Tavistock, Mannings Hill, Bridge Mount, Sunset Avenue, Boone Hall, Mount. Ogle.**

Repairs are currently underway and restoration of regular water supply is expected to **return on or before Wednesday, September 14, 2011.**

Meanwhile customers in **Ewarton and surrounding areas of St. Catherine**, are also without their regular service as a result of low inflows to the **Ewarton Relift Station.**

Areas affected are: **Mt. Rosser, Waterloo, Bennett Shop, Leslie Road, Cassava Pond, Lluidas Vale Main Road and Charlton.**

Regular water supply is scheduled to return on **Thursday, September 15, 2011.**

The NWC regrets any inconvenience caused.
