### **WATER SUPPLY DISRUPTION**

The National Water Commission is advising its customers **in sections of St. Andrew who are served by the Beverly Hills Well that they will experience a disruption in their water supply on Wednesday, September 28, 2011 between the hours of 8:00am and 6:00pm.** This interruption in service is to facilitate maintenance works on the system.

Areas that will be affected include:

**Pines of Karachi**

**Long Mountain**

**Beverly Hills**

**Customers in the mentioned areas are therefore encouraged to store water for use during the period of disruption.**

The National Water Commission sincerely regrets any inconvenience that may be caused to its valued customers in this regard.
