### **Water Supply Disruption Affects Longville Park, Clarendon**

The National Water Commission is advising its customers **in Longville Park in Clarendon** that the disruption they are currently experiencing in their service is due to a break on a 10” distribution pipeline on the supply network.

The company is reporting that they system has been taken out of operation to carry out the necessary repairs and customers are being assured that every effort is being made to restore water supply within the shortest possible time.

The National Water Commission sincerely regrets any inconvenience caused to its valued customers in this regard.
