### **Water Supply Disruption Affects Sections of St. Mary**

The National Water Commission is advising its customers in **sections of St. Mary who are served by the White River water supply system** that the disruption they are currently experiencing in their service is due to mechanical problems affecting the system.

The company is reporting that the system has been taken out of operation to carry out the necessary repairs and customers are being assured that every effort is being made to restore water supply within the shortest possible time.

Areas affected by this interruption in service include: **Charles Town, St. Mary Country Club, Industry Pen, Three Hills, Rose Street, Spring Valley and Balmoral.**

The National Water Commission sincerely regrets any inconvenience caused to its valued customers in this regard.
