**URGENT MECHANICAL WORKS TO DISRUPT  
SECTIONS OF ST. CATHERINE WATER SUPPLY**

The **National Water Commission** is advising customers in the **Twickenham Park area of St. Catherine** that they will experience water supply disruptions, **tomorrow Thursday, October 13, 2011 between 8:00 a.m and 5:00 p.m.** This is to facilitate urgent mechanical works to be carried out on the distribution network.

Areas to be affected will include:

**Twickenham Park Industrial District  
Central Village  
Twickenham Park Housing Scheme  
Union Estate Housing Scheme**

Customers are being urged to store water for the period of disruption.

The NWC regrets any inconvenience this necessary work may cause.
