WATER DISRUPTION TO AFFECT FREEPORT, MONTEGO BAY

The National Water Commission is advising customers in Freeport and Fairview in Montego Bay St James, that there will be an interruption in their piped water supply tomorrow, **Thursday, October 13, 2011 between the hours of 10:00a.m. and 5:00p.m.**

This is to facilitate an interconnection to the Fairview distribution main.

Customers are advised to store water for use during this period of water supply disruption and to call the NWC's Call Center at 1-888-CALL-NWC (1-888-225-5692) for updates and or assistance.

The NWC apologizes for any inconvenience this may cause.
