**BROKEN PIPE DISRUPTS WATER SUPPLY TO SECTIONS OF  
WESTGATE HILLS, ST. JAMES**

The National Water Commission (NWC) is advising that some customers in Westgate Hills, Montego Bay, are experiencing a disruption in their water supply. This condition exists as a result of a broken pipe, above the Tallyman apartments in the community.

The NWC's operations team has done the requisite assessments and is working to complete the repairs by 06:00 p.m. today.

The NWC craves the patience of its valued customers in Westgate Hills, who are affected by this break in service and assures them that no effort will be spared to complete the repairs within the stipulated time.

For further information, please call the NWC's call centre at 1 888 CALL NWC or 1-888-225-5692.
