**BROKEN MAIN DISRUPTS WATER SUPPLY IN WESTGATE HILLS  
AND DOWNTOWN MONTEGO BAY**

The National Water Commission is advising customers in **Westgate Hills, Barnett Street and all of downtown Montego Bay, St. James** that the water supply disruption that they are currently experiencing, is as a result of a 16-inch broken main in Westgate Hills.

The plumbing team has already started to effect the necessary repair work and it is expected that water will be restored by **2:00a.m. tomorrow, Tuesday, November 22, 2011.**

The NWC apologizes for any inconvenience this repair work may cause, and assures customers that every effort is being made to restore their water supply in the shortest possible time.
