**JPS MAINTENANCE WORK TO AFFECT
WATER SUPPLY TO SECTIONS OF ST. ANN**

The National Water Commission (NWC) is advising that as a result of scheduled JPS maintenance work on Sunday, November 27, 2011, some customers in St. Ann will experience a disruption in their water supply, between 09:00 a.m. and 05:00 p.m.

NWC systems and service areas that will be impacted include:

- **Breadnut Hill pumping station** which serves Breadnut Hill.
- **Claremont well** which serves Claremont, Steerfield, Orange Park, Golden Grove, Alderton, Lydford Housing Scheme and Rural Retreat.
- **Harrison Town pumping station** which serves Harrison Town and Breadnut Hill.
- **Higgin Town pumping station** which serves Higgin Town and Johnny Spring.
- **Moneague well** which serves Moneague, Clapham, Swamp, River Head, Silkfield, Grierfield and Roadside.
- **New Ground pumping station** which serves Lime Hall, New ground, Clamstead, Laycock and Gravel Hill.
- **Roaring River treatment plant** which serves Steer Town, Roaring River Housing Scheme, Davis Town and surrounding areas.
- **Walkerswood well** which serves Walkerswood, Colgate and Dunnsville.

The NWC urges customers to store water for use during the scheduled downtime and assures customers that every effort will be made to restore the water supply following the return of the power supply.
