**BROKEN 21- INCH MAIN DISRUPTS  
WATER SUPPLY TO THE CORPORATE AREA**

The **National Water Commission** is advising customers in some sections of the **Corporate Area** that the disruption they are currently experiencing is as a result of a **broken 21-inch distribution main in the vicinity of Spanish Town Road and Parkway.**

Areas affected include:

**Spanish Town Road and all roads leading off  
Park Way**

**Marcus Garvey Drive and all roads leading off  
Patrick City**

**Seaview Gardens**

**Duhaney Park**

**Cooreville Gardens**

**Washington Boulevard and all roads leading off**

Repairs are presently being carried out and restoration of regular service is expected later this evening.

The NWC regrets any inconvenience caused.
