**DISRUPTION IN WATER SUPPLY – St. Mary**

The National Water Commission (NWC) customers served by the White River Treatment Plant are being advised that the current disruption in their water supply is as a result of an electrical malfunction being experienced at the facility.

**Areas being affected are:**

- **Industry Pen**
- **Charles Town**
- **Sections of Balmoral Heights**
- **Upper Spring Valley**
- **St. Mary Country Club**

NWC engineers are currently working to address the problem. In the interim, the NWC will truck water to the affected communities.

The NWC apologizes for the inconvenience and assures customers that every effort is being made to restore supply in the shortest possible time.
