For Immediate Release

**MECHANICAL AND ELECTRICAL PROBLEMS
AFFECT WATER SUPPLY TO SECTIONS OF ST. ANN**

The National Water Commission is advising that electrical and mechanical problems at the White River Pumping Station in St. Ann continue to disrupt the water supply to customers in Exchange, Bonham Heights, Bonham Spring, Lancewood, sections of White River and sections of Eltham.

As an interim measure, the NWC will continue to truck water to the affected areas and is making every effort to restore water on Wednesday, December 14, 2011.

The NWC apologizes for any inconvenience this break in service has caused and craves the continued patience and understanding of its valued customers.

Further information may be received by calling the NWC call centre at 1 888 CALL NWC (1-888-225-5692).
