**BROKEN 6" MAIN AFFECTS WATER SUPPLY  
IN SECTIONS OF ST. JAMES**

The National Water Commission (NWC) is advising customers in Granville and sections of Pitfour in St. James, that the water disruption they are experiencing is as a result of a broken 6 inch main in Granville.

Every effort is being made to effect the necessary repairs and restore water at the earliest possible time.

The NWC craves the patience of its valued customers and will provide an update on Tuesday, December 13, 2011.
