For Immediate Release

WATER DISRUPTION IN MIDDLE QUARTERS, ST. ELIZABETH

The National Water Commission (NWC) is advising customers in Middle Quarters, St. Elizabeth that the water disruption they are experiencing is as a result of a distribution problem in the community.

The NWC is carrying out the requisite investigation and is making every effort to resolve the problem and restore water in the shortest possible time.

The NWC craves the patience of its valued customers and will provide an update on the situation on Friday, December 16, 2011.
