MECHANICAL PROBLEMS DISRUPT WATER SUPPLY TO SECTIONS OF CLARENDON AND MANCHESTER

The National Water Commission (NWC) is advising customers, who are served by the Baileston Booster Station in Manchester that the water disruption they are experiencing is a as a result of mechanical problems at the aforementioned facility.

The areas that are affected include: **Spaulding, Limit, George North, Glenco, Glenco Housing Scheme, Richmond, Santa Hill, Bamboo and Cobbla.**

Every effort is being made to restore the water supply on Saturday, December 24, 2011. In the interim, water will be trucked to the affected areas.

The NWC craves the patience of its valued customers and apologizes for any inconvenience this disruption may cause.
