**EMERGENCY WORK DISRUPTS
WATER SUPPLY TO AREAS OF ST. ANN AND ST. MARY**

NWC customers in some sections of **St. Ann and St. Mary** are presently experiencing a disruption in their water supply as a result of a broken pipeline on **Main Street, Ocho Rios.**

Areas affected include:

Ocho Rios and surrounding areas, Content Gardens, Exchange, Bonham Spring, Eltham, St. Ann's Bay, Windsor Heights, Mammee Bay, Steer Town Housing Scheme – Phases 1&2, Port Maria, Trinity, Hamilton Mountain, White River and Galina.

Repair work is presently being carried out and restoration of regular water supply is expected to return by 6:00 this evening.

The NWC regrets any inconvenience caused.
