**MECHANICAL PROBLEMS DISRUPT
WATER SUPPLY IN ST. MARY AND ST. CATHERINE**

NWC customers in the **Industry Pen Housing Scheme and Tree Hill District of St. Mary** are presently without their regular water supply as a result of mechanical problems affecting the **Industry Pen Pumping Station**.

Repairs are currently being carried out and restoration of regular service is expected on or before **Saturday, December 31, 2011**. In the interim, water will be trucked to the areas affected.

Meanwhile customers in **some sections of St. Catherine** are experiencing a disruption in service due to similar problems at the **Sue River Pumping Facility**.

Areas affected include:

Free Town, Bernard, Sue River, Mizpah, St. Faiths, Cassava River, Glengoffe, Goffe Road, Jambos Pond and Big Road.

Repair works are presently being carried out and regular water supply is expected to be restored on **Thursday, December 29, 2011**.

The NWC regrets any inconvenience caused.
