FOR IMMEDIATE RELEASE

LEAK REPAIR WORK TO DISRUPT WATER SUPPLY TO SECTIONS OF ST. JAMES

The National Water Commission (NWC) is advising that the Cambridge Treatment Plant will be shut down from midnight on Friday, December 30, 2011 until 05:00 p.m. on Saturday, December 31, 2011 to facilitate urgent leak repair work.

As a result, customers in Bickersteth, Seven Rivers, Richmond Hill, Shortwood, Cambridge, Ducketts, Grange, Bethel Town, Argyle Mountain and Lambs River will experience a disruption in their water supply.

The NWC craves the patience of its valued customers and apologizes for any inconvenience this break in service may cause.
