**MECHANICAL PROBLEM DISRUPTS  
WATER SUPPLY – ST. CATHERINE AFFECTED**

The NWC is advising customers in some **areas of St. Catherine**, that the water supply disruption they are presently experiencing is as a result of a mechanical problem affecting the **York Street Pumping Station**.

Areas affected include:

**York Street  
Treadways  
Magrath High  
Charlie Mount  
Farm Scheme**

Repairs are now being carried out and restoration of regular service is expected by **Thursday, January 12, 2012**. In the interim water will be trucked to the affected areas.

The National Water Commission regrets any inconvenience caused.
