POSTPONEMENT OF JWSIP WORKS AT SEAVIEW TREATMENT PLANT

The National Water Commission wishes to advise that **works originally scheduled to start today at Seaview Filter Plant in St. Andrew have been postponed and will instead begin tomorrow, Wednesday, January 11, 2012.**

In an earlier notification, works were slated to begin at the plant today to continue until Wednesday. The company is now advising that the works will **begin tomorrow, January 11 and continue through to Thursday, January 12, 2012.**

As previously advised, customers who are served by the Seaview Filter Plant will have no water for the period that the plant will be out of operation. Areas that will be impacted include:

Stony Hill and surrounding areas
Old Stony Hill Road
Golden Spring and surrounding areas
Jacks Hill
Stilwell Road
Lawrence Tavern
Tavistock
Sections of Mannings Hill Road
Bridgemount
Sunset Avenue
Boone Hall and Mount Ogle
Temple Hall
Bowden Hill

The Commission is further advising that while **operations will resume on the evening of Thursday, January 12, 2012, full restoration of service is expected on Friday, January 13, 2012. Additionally, operations will resume on the usual regulated basis and as such the areas will see the return of their water supply on their scheduled service days.**

The National Water Commission sincerely regrets any inconvenience caused in this regard.
