**MECHANICAL PROBLEMS AFFECT WATER SUPPLY.....SECTIONS OF ST.
ANDREW**

The National Water Commission is advising customers who are served by the **Rest Haven Well in St. Andrew** that the disruption they are currently experiencing in their water supply is due to mechanical problems affecting the Well.

The Commission is reporting that the pumping system has been taken out of operation to carry out the necessary repairs and that efforts are being made to resume operations on **Friday, January 27, 2012**. Trucked water will therefore be provided to the following affected areas:

**Copacabana
Rest Haven
Ocean Lake
Seven to Eleven Miles Area
Camrose
Bay View**

The National Water Commission sincerely regrets any inconvenience caused and is making every effort to ensure the restoration of water supply to these areas at the earliest possible time.
