Water Supply Disruption....Sections of St. Andrew Affected

The National Water Commission wishes to advise customers who are served by the **Chancery Hall # Pump in St. Andrew** that the disruption they are currently having in their water supply is due to a mechanical problem being experiencing at the facility.

Affected areas include **Flagstaff, Quarter Deck, To-Gallons, Horatio Drive, Horatio Close, Lloyd Nelson Drive and Lady Hamilton Drive.**

The necessary repair work is in progress and every effort is being made to restore service by tomorrow October 24.

The National Water Commission apologizes to its valued customers for any inconvenience caused.
