

DISRUPTION TO AFFECT CORPORATE AREA COMMUNITIES

The National Water Commission (NWC) wishes to advise customers in the Corporate Area who are serviced by the Hope Filter Plant, that the final leg of the Hope Pipeline Impoundment project will be done on Friday, July 16 to Saturday, July 17 between the hours of 8:00p.m to 4:00a.m.

This means that customers will be without their regular water supply during this period.

The areas to be affected are:

- University Hospital
- Elletson Flats
- Papine
- Gordon Town Road
- Gordon Town
- UTECH
- University of the West Indies

Customers should therefore store water for use during this period of disruption.

The National Water Commission regrets any inconvenience this disruption may cause.
